OCTOBER 2023 UPDATE

## Missionaries to Zambia

### Greetings in Jesus name!

October in Zambia surely lives up to the reputation! We returned to the field on the 5<sup>th</sup>, and its been “Smokin’ Hot” to say the least! We had a wonderful trip stateside filled with weddings, family, some fun “finish carpentry” projects, and sweet time with our home church.

While we were stateside, the churches in Zambia had some celebrations also! Big Tree BBC celebrated its 10<sup>th</sup> year anniversary! Pastor Jere continues to lead that flock well, and has also been overseeing the work of a few other churches as well. Its a blessing to see his leadership and vision maturing and being put into action.

Ablution blocks for Chiziye Secondary School are set to be finished next week!

This pic is one of Four New “Double Sided” pit toilets. These were MUCH NEEDED for the over 350 students that attend this school.

On Wednesdays, Dan has resumed teaching through the book of Acts. People from many churches gather for several hours of teaching and also share a meal together. Our prayer continues to be for the Lord to strengthen these young believers, and going verse by verse through Acts will strengthen their foundation.

This last week, Nkhudwe BBC hosted their first youth conference, and it was so well conducted and attended! We encourage you to find us on FB linked below, and watch some of the videos. The theme was 2 Tim 2:22, and they created music to memorize the verse. What a blessing!

As travel allows, we continue to rotate visits to the churches on Sundays. The rains will soon begin in full force and a few will be cut off from vehicle access, so we are making those locations our priority. We continue ministry while in the midst of building and water projects, and we ask prayer for discernment, ability to communicate well, financial responsibility, and for the projects to be completed well and timely!

Thank you for Praying!  
Dan and Janice Jalowiec

It was a great trip stateside celebrating the wedding of Micah & Lena! We also spent as much time with friends, family and our home church. We even got to see a sneak peek of our favorite Fall Season!

THANK YOU to all who prayed for Mr. CK! He recieved hip replacement surgery mid the end of August - a full 7 weeks after he broke his leg. We are thrilled to see his progress, and regained mobility! He walks to church and Bible study each week only assisted with a cane!  
Praise the LORD!
