

# Ministry Update

It has been 3 years since we went full time in this ministry. God took a vision and turned it into a mission! We are thankful for HIS power, provision, and protection every step of the way.

We started with a 16' trailer and a 3/4 ton truck. Now we have a semi and three 28' trailers. Praise the Lord for His blessings!

While in Huatulco this January we received our 20th shipment, making the total Scripture and tract count into Mexico over 35,000,000!! These Scriptures are being distributed all throughout Mexico and into

God has expanded the SOGT fleet and the warehouse is scheduled to expand this year too! We are now seeking the Lord's direction in possibly adding another truck and driver.

Guatemala, Honduras, El Salvador,  
& Venezuela.

We are thankful for the opportunities we have been given to help multiple Bible publishing ministries, seedline churches, missionaries, and pastors. The word is spreading and God is blessing our desire to help get the Word to the World.

With the ability to move more Scripture comes more challenges and warfare. We are thankful to God for His providential provision through ALL of it. His hand has been in the details from the beginning and is still at work.

We were donated an incredible pallet racking system that will allow us to stage 3+ shipments at a time. Our vision of getting the Word of God to Mexico has become a mission to the World.

Please join us in praying where we are to expand Bible Distribution centers. We desire to support missionaries in multiple countries around the World.
